EMERGENCY DEPARTMENT (DIRECT LINE)	6152 7642

Website for GPs: <http://fsh.health.wa.gov.au/For-health-professionals/GPs>

Referrals to FSH Outpatients:

Outpatient referrals are coordinated through the WA Health Central Referral Service (CRS). Referrals are allocated according to the patient's residential address, medical condition, the level of care required and the waiting times at various facilities.

Fax: 1300 365 056

Email: centralreferralservice@health.wa.gov.au

FSH referral service:

Some referrals are out of scope for the CRS - including referrals to nursing and allied health services – these should be directed to the FSH Referral Service.

Fax 6152 9762

Email FSH.Referrals@health.wa.gov.au

Urgent referrals:

GPs should contact the relevant specialty at FSH by telephone (contact details below) and if the patient is accepted a referral should be faxed or emailed to the FSH referral service immediately.

Fax 6152 9762

Email FSH.Referrals@health.wa.gov.au

Unless otherwise stated below, FSH manages patients aged 14 and above.

Notes

All emergency or urgent referrals should be discussed with the relevant team during the specified hours rather than being sent to the emergency department.

For advice regarding the urgent care of a particular patient, most specialities have a consultant and / or registrar on call 24 hours / 7 days
